Follow Me

So what is *Follow Me*??? For those unfamiliar with the world of Twitter, this is the phrase used to connect people; we *follow* friends' twitter feeds for the latest news, personal status updates, and conversations.

The Apostle Paul admonishes believers to "*Follow* my example, as I *follow* the example of Christ." Whether in our marriages, parenting, work, around the neighborhood, or at the ball fields, we live following examples we've been given, while leaving examples for others to follow.

During the retreat, we will be challenged in times of Bible study with others, exalt God together during family worship, make memories during family rec, and break bread together during mealtimes. Allow God to impact the lives of your family and make plans to join us this March.
